

WARHAMMER
THE HORUS HERESY

HOGTOWN HERESY 2025

TWILIGHT OF THE
FIVE HUNDRED

DEATH COMES TO ULTRAMAR

A TWO DAY NARRATIVE EVENT HOSTED BY HOGTOWN 40K

There was once a dream of Imperium and unity. Now, it is in flames. The death-screams of the betrayed radiate out from Istvaan, Phall, and other systems, but no one is listening. The wider Imperium turns on, oblivious to the end and the death that is coming for them all.

Primary amongst the loyal territories is Ultramar, an empire within an empire, built by the Thirteenth Legion's steady hands. Millions of souls dwell within its borders, their eyes set on a bright, productive future. But it is the creatures of the Warmaster they should be watching for, the carrion-eaters, the betrayers, the renegades, and the vengeful.

When Calth begins to burn, the Five Hundred Worlds collapse into anarchy. With the bulk of the Thirteenth Legion already embroiled in unthinkable betrayal, who is left to defend the empire? Information is scarce. Loyalties are undetermined. As twilight descends on the Five Hundred Worlds, brother will betray brother, and the galaxy will scream.

Hogtown40k would like to welcome all of you to the Hogtown Heresy, Twilight of the Five Hundred, hosted this year at the seventh annual Hogtown 2025!

The event will be held on **November 8th and 9th** at the Royal Canadian Legion in east Toronto.

As part of maintaining an equal opportunity to all players, due to demand and extremely limited space, we're continuing with the application system this year for Heresy players who would like to attend the Hogtown.

Please note that **applying does not require you to buy a ticket at this time**. Tickets will be priced at \$85 CAD this year.

Note: A change from previous years, lunch is no longer included with your ticket. However, there are many good options in the area, and we will provide you with plenty of time to grab a bite and socialize!

Also note that on the day of the event, we will require your army to be fully painted and based! Additional notes are in the application package.

10 spots are available for this year's event (5 Traitor and 5 Loyalist).
